Hi -

I spoke with Areen about this yesterday and he shared that it's only for people in Cars at this time - - the car must be registered - insurance and they must have a valid license. Also they will have Security.

this corridor is the most economically solvent area in Studio City and the concern is that if there are hundreds of homeless people on the streets, the businesses will suffer - and in turn the City will suffer.

The Hollywood Bowl lot is already being used by 10 - 12 persons nightly - - as you know it is County property and I don't know why they just don't do something and become more proactive in this?

I can't say for certain but it sounds like they are doing the Safe Parking program at the Hollywood Bowl parking lot. We are looking for space, private or public, that are interested in participating in the program so let me know if anything comes to mind. I'll also be bringing this up on Monday.

Hi Geoffrey -

Thank you very much.

I just got off the phone with Areen - and simply wanted to be able to offer information on the proposal to use the Parking Structure for over-night use by the Homeless.

It seems that the County parking lot where the buses pick-up for the Hollywood Bowl is currently used for this purpose - do you know anything about that?

Good afternoon John,

Here is the only city owned property within the BID boundaries:

Address - [12229 VENTURA BLVD LOS ANGELES CA 91604](#)

Assessor's Parcel Number (APN) - 2367-017-900

Use Type - Commercial

Use Description - Office Buildings

It is the city-owned parking garage. Here is the map ([link](#)) the Controller's office put together in case you want to see it in relation to the other properties - it might take a minute to load.

Best,

Geoff Yazzetta | Deputy District Director

Good Morning Geoffrey:

Do you have the time to send me over a list of City owned properties in the BID for Studio City?
